## Cameron Schools Win Meet With 311 Points

### Red Cross Roll Call Will Begin Sunday March 26

#### NATIONAL HOUSE PASSES FARM RELIEF MEASURE

Washington—A fourth giant display of Roosevelt strength today sped through the house to a more doubtful senate, future, a new remedy for farming ills.

Two days of debate, bristling with criticism of the drastic farm aid plan, mustered only 98 opposition votes when the roll was called on a bill virtually identical with that sent from the White House last week.

Against this small minority of 73 republicans, 24 democrats and one farmer-laborer, the democratic machine rolled up 315 votes including 39 republicans and four farmer-laborers.

The measure would confer upon Secretary Wallace unprecedented powers to deal with the farm situation.

Under its terms, he could apply any of the several methods of controlling surpluses and reducing acreages, including features of the domestic allotment plan, rentals of lands to retire them from production and the Smith plan of reducing cotton planting by giving in exchange options on government owned cotton.

While the house chamber echoed with debate, it was made known that within the week the administration would have ready its second step in the farm field, a plan for refinancing agricultural and home mortgages at lower rates of interest and amortization.

#### SYKES S. FOX BURIED IN SALEM CEMETERY

The body of Sykes S. Fox, 53, who died Sunday afternoon, March 19, in a sanitarium in Houston was brought to Cameron Tuesday morning over the Santa Fe and taken to the Coleman-Epley Funeral Home.

At 2 o'clock that afternoon the body was taken to the First Baptist church where Rev. N. D. Timmerman, pastor, held the religious services. Interment was made in the family lot in Salem cemetery by the side of his late parents, Mr. and Mrs. A. Fox, who formerly lived at Ad Hall.

Mr. Fox married Miss Allie Burke at Ad Hall and later moved to Cameron where they made their home for several years, moving to Houston some time ago where they had made their home up to the time of his death. He had been in poor health for several years, and had been confined to his bed about a year prior to his passing. He had been a member of the Baptist church from boyhood.

Deceased is survived by his wife, one son and one daughter, Glenn and Marian Fox of Houston; two sisters, Mrs. O. B. Boyd of Georgetown; Mrs. M. Boyd of Taylor; two brothers, Will Fox of Georgetown and Mack Fox of Cameron.

The family was accompanied to Cameron by Mr. and Mrs. Marvin Fox, nephew, Mr. and Mrs. Leland Burke, Mr. Langdon of Houston.

Pall bearers were: Dr. E. Kruse, W. R. Hoover, W. B. Levy, Homer Nabours, Dr. E. Zellner and Fritz Fahrendorf.

Coleman-Epley undertakers had charge of the remains after arriving in Cameron.

E. A. Camp of Rockdale was a business visitor to Cameron Monday.

The supplementary Roll Call scheduled to start March 4 and postponed due to the bank holiday will now start Sunday, March 26.

The National Red Cross organization will send a total of \$15,000 in clothing and flour to this county. This has been a great aid to us in getting through the past year. At this time the local organization is badly in need of funds to take care of the medical cases that cannot be handled any other way.

A committee will call on the people during the coming week and solicit membership for Red Cross and each person is urged to do all that he possibly can.

#### MRS. MARY WALKER IS BURIED IN CAMERON

Funeral services for Mrs. Mary W. Walker, wife of W. J. Walker, who died Monday morning March 20 at 2:45 o'clock in the Baptist Sanitarium in Waco were held in Cameron Tuesday morning at the home of her brother, M. G. Cox and wife, at 10 o'clock, by Rev. B. O. Herring of Waco, assisted by Rev. N. D. Timmerman, pastor of the First Baptist church Cameron. Interment was made in Oak Hill cemetery.

Deceased was born in Clayton, (See MRS. WALKER on page 5)

#### Receivership Asked For Temple Telegram

Receivership has been asked for the Temple Telegram according to announcement of that newspaper today.

Suit has been filed by nine holders of notes against the plant because of defaults in payment, although the paper has paid out large sums on the debt and has kept up the best possible ration of retirements under conditions.

#### D. M. Jackson Enters Guilty Plea and Is Given Year Suspended

The plea was entered by E. A. Camp, attorney for Jackson, who has three times followed his client thru the courts.

#### Gold Hoarding Will End on March 27th

Hoarding of gold will end on March 27 the treasury department having extended the time to surrender gold until that date, according to August Gurecky of the First National Bank.

The government had originally extended the time until March 18. All persons having gold in their possession must surrender it at the banks by March 27 or be subject to both a heavy fine and imprisonment.

Pieces of gold kept through the years as keep sakes or for sentimental value do not have to be surrendered.

#### To Succeed Garner

Milton H. West of Brownsville, Texas, who has been awarded the democratic nomination to congress from the 15th district, practically assuring his succeeding John N. Garner as representative. West will be the first former Texas ranger to go to congress.

Expenses of attending the Short Course will be small. The registration fee will be \$1.00. Room and meals may be obtained at the college or in Bryan very cheaply.

Any one is eligible to attend the Horticultural Short Course. Those from Milam county who may desire to enroll are advised to consult with the county agent.

#### No Interference With Farm Labor Relief Chairman Says In Letter to Local Planters

To The Planters of Milam County: Some misunderstanding seems to have arisen in the minds of some people regarding the policy of the Emergency Relief Committee in Milam county.

We cannot emphasize too strongly the fact that the money furnished by the Government is strictly for Work Relief and is only for those who have no means of employment and who are in need of the necessities of life. The object is not to take the men off the farm or to employ those who can obtain work elsewhere.

Therefore, if you have anyone on your place whom you can employ and has been working for this committee, we will ask you to please notify us and we will immediately take them off our roll and will not give them employment until you advise us that you can no longer use them.

This will also apply to any one whom you may wish to employ who

#### MILAM COUNTY GOES IN ELEVENTH DISTRICT

Based upon the developments in the Legislature, it appeared certain that Milam County would lose its place in the Sixth Congressional District and be placed in the 11th District with McLean and Bell counties.

Representative Emory B. Camp was doing everything possible to keep Milam in the Sixth District with Luther A. Johnson as Congressman. Mr. Camp has had numerous requests to oppose placing Milam in another district.

Under the terms of both the Senate and the House bills Milam is placed in the 11th District with O. H. Cross of Waco as congressman.

These bills will be passed at some date in the near future and our representative may be depended upon to do all in their power to give the county the best possible alignment.

#### NEGRO MURDER CASES NOT SET FOR TRIAL

The case against Clarence Booker, negro, charged with the murder of Andy Smith here on the night of December 23, 1932, has not been set down for trial in District court.

Two cases against George Williams, negro, charged by indictment with the murder of Lena and Louis Jones here on February 20, 1933, have not been set for trial.

A number of cases have been set down for trial on February 24.

S. M. Burns, district attorney, will be in Belton Monday for the opening days of the trial of J. C. Tucker on indictments growing out of the failure of the Cameron State Bank.

The murder cases will be set down for trial when the district attorney returns to Cameron.

Fred Perlitz has returned from Houston where he attended the funeral of an uncle.

#### ROCKDALE IS SECOND WITH 265 POINTS IN ANNUAL COMPETING

Cameron won the Interscholastic Meet here Friday and Saturday with her two schools piling up a total of 311 points.

Rockdale was second with a total of 265 points scored, by her high and ward schools.

The Regal city athletes beat Cameron high by 35 points in athletic events, but the schools were below the number set by Cameron schools in literary events.

A large contributing factor to Cameron's success was the Ada Henderson school with 170½ points with Rockdale second for ward schools with 80 points.

The following official results are announced:

Class A high school: Cameron 1st with 121 points in Literary events and 70 points in Athletic events, making a total of 191 points. Rockdale 2nd with 80 points in Literary events and 105 points in Athletic events for a total of 185 points.

#### Texas Child Welfare Worker Will Speak Here Saturday

Milam county is unquestionably fortunate in having as a speaker next Saturday, March 25th at the Cameron High school Mrs. Violet Greenhill, Chief of Division of Child Welfare, Austin.

Two years ago the legislature created a State Division of Child Welfare and provision was also made for organization of county wide welfare boards.

Mrs. Greenhill and her staff have made marked progress in demonstrating the merits of a child welfare division, and aside from the benefits to ourselves, Milam citizens will show their appreciation by greeting Mrs. Greenhill Saturday with a full house.

This event is arranged by the County Council of Parent-Teachers Association and the public is cordially invited to attend.

The time 2:30 Saturday, March 25; the place Cameron High School Auditorium.

#### CORRECTION

Last week the Herald printed a news item about J. C. Wright who is alternating between Cameron and Temple in liquidating the Cameron State Bank and the First State Bank of Temple. Through error it was said Mr. Wright was liquidating the First National Bank of Temple. The bank in liquidation is the First State Bank.

## Boy Scout Troop 52 Closes Contest With Meeting On Friday

Troop No. 52 held the last meeting of the patrol contest Friday night, March 17 with a large attendance. This was an exciting meeting that will be long remembered by the members of Troop 52. No more gallant spirit of patrol loyalty and spirit has ever been demonstrated.

The meeting was opened with a song led by song leader Paul Michalka. This was followed by a discussion of, and plans for, an all night hike on the first Sunday in April. A short hike to "thick" pasture was planned for Thursday night, next.

After the patrol meeting, the feature of the meeting was a debate between Paul Michalka and C. W. Gjedde. The subject was "Resolved That Heredity Has More Influence on Character Than Environment." The debate was very interesting and was won by C. W. Gjedde. After the debate the patrols went into the final battle for the winner of the contest that was started on January 1, 1933. At the close of the last meeting the Fox Patrol was leading the X Patrol by about 400 points. Under the gallant leadership of patrol leader, Paul Michalka, the gap was closed up to within nine points during the week, leaving the games the deciding factor. No greater spirit of loyalty has ever been demonstrated than that of the patrols rallying around standards of their leaders and fighting for deciding points of the games. After the final game the results as reported by Committeeman Richter showed the X patrol with 2273 points and the Fox patrol with 2272 points so close that there was really no winner. But according to the rules of the contest the X patrol was declared the winner. As a reward the Troop Committee and the Scoutmaster will entertain with a feed in the Knights of Columbus hall Tuesday night. The X patrol suggested that the gallant Patrol leader of the Fox patrol, Bob Hensley, and his assistant, Rudolph Michalka, should be allowed to attend the feast. This request was granted. An account of this will appear next week.

The losing Fox's demonstrated a wonderful spirit of sportsmanship in the way they took their defeat that would be an example to older people. With tear dimmed eyes they mixed up with the X patrol and arm in arm they closed the meeting by singing "Taps." Congratulations go to both patrols and their leaders.

of 37 including 21 registered scouts, scoutmaster and assistant, three committeemen, one adult and ten boy visitors. Three of the scouts made a report on their trip to Bryan. At the close of the business session of the meeting a check up was made of the progress being made in the Knights of Columbus Boy Guidance Contest, and it was found that the entire troop had entered some phase of the contest with the intention of keeping as many of the awards in Cameron as possible.

After the business meeting the patrols went into their own meetings. Immediately after the patrol meeting the troop was entertained with a debate between Paul Matula and C. W. Gjedde, which was very interesting, and the judges decided in favor of C. W. Gjedde. A new game "Aeroplane riding" was pulled which created very much merriment. The patrol contest is still hot with only one more week of the contest, and with the Fox patrol leading the X's by about 400 points, but there is no telling what kind of a surprise the X patrol will spring during the week. They might come out on top in spite of the wide gap.

The Fox patrol held a hike last Saturday with patrol leader Bob Hensley in charge.

Mr. and Mrs. Dave Meers and daughters, Miss Virginia Meers and Mrs. Cecil Marrs and baby of Waco, were Sunday guests of Mrs. Lottie Bigbee. Mr. and Mrs. Meers formerly lived in Cameron and have many friends who enjoy their return visits.

The following people attended the quarterly singing convention at Salty Sunday: Judge and Mrs. Graham Gillis, Judge Jeff T. Ken-p, Judge and Mrs. John Watson, Mrs. Pearl Clement, Misses Delphia Scott, Melissa B. and Elnora Oneal, Mr. and Mrs. H. B. McClellan.

# SOCIETY

## WOMEN CELEBRATE

A birthday party was given by the women of Circle number three of the Missionary Society of the Methodist church Thursday evening in the basement of the church.

Mrs. R. H. Johnson was chairman of the menu group; Mrs. Minnie Whitliff chairman for the tables and Mrs. John B. Henderson chairman for decorations, with a chairman for each of the twelve tables, which represented the twelve months of the year.

Guests upon arrival were greeted by the committee, and Mrs. John Henderson gave decorations according to the month of their natal day.

Table for January was decorated with icicles, snow and winter flowers; February decorations represented Valentine motif; March was in attractive St. Patrick colors, and bore St. Patrick motif decorations. A tiny parasol stood in the center of table for April, with flowers and other April suggestions. May was one of the prettiest, as it was centered with tiny dolls dressed in spring attire representing school girls who were enjoying a May Pole dance on a velvety green lawn. June flowers indicated this month, and represented a flower garden. A patriotic scene developed the month of July, red, white and blue being used in bunting and flags of numerous sizes. August portrayed a farmer wading his way down a stream with fishing tackle and knap sack on his shoulder to a camp that was a typical fishing scene with tent and camp fire. Even the small child could de-

cide the September table where the little red school house graced the center of the table with school children and teacher near the door, with the proverbial school slate in evidence at each plate with appropriate mottoes written thereon. No one would fail to guess October in its spooky decorations of bats, black cats, sky sweeper and other Halloween emblems.

The well known national bird, the turkey, was attractively used for the November table with wish bones miniature turkeys and plantation scene.

Old Santa with his merry group of admiring children graced the December table, with the Christmas Tree and spruce shrubbery, centered with a tiny house where the yard was covered with snow.

Each guest was served with a delicious three course luncheon with sweet desert with individual cakes iced in white and tipped with a tiny pink candle, which many lighted presenting a merry scene over the room.

A program was presented during the evening consisting of music, readings and voice numbers. Dr. Ola de Massey of Waco gave an attractive piano reading, accompanied by Miss Oma Booth of Waco.

Guests occupied each table showing that birthdays were well divided among the many guests present.

#### Side Quit Hurting, Got Stronger, Well; CARDUI Helped Her

**WOMEN!** Get rid of the handicaps of a weak, debilitated condition with the assistance of Cardui.  
Mrs. R. L. West, of Huntsville, Ala., writes: "I was weak and run-down. I had a pain in my side, and I kept losing weight. I grew nervous over my condition—this was unusual for me, for I am very cheerful when I am well and don't easily get nervous. I knew I ought to take something. My aunt told me I ought to try Cardui, which I did. I began to feel better. I kept it up until I had taken three or four bottles. My side quit hurting and I was soon feeling strong and well."  
Cardui is sold at drug stores here.

### "Central" sends help to a Frantic Mother

Jimmy Ratliff, 12 years old, went fishing with his chum. They took the little .410-gauge shotgun saying... "Gonna kill us a rabbit for bait."

There was a report from the gun at the pond, a quarter of a mile from the house. Jimmy was shot... hurt badly. A frantic mother ran to the telephone...

"Central! A doctor quick!"

Lucy Adams, at the switchboard, called the doctor's office. He wasn't in. She rang the telephone at his home, and he wasn't there. She tried the cafe, and located him. Within five minutes the doctor was speeding toward the Ratliff home.

The little boy was weak when the doctor arrived. He dressed the wound... sent Jimmy to the hospital. The boy is out playing again now."

Twenty-four hours of each day the telephone is ready for your calls. Whether it be for the doctor, to get the price for eggs or cream, to order a part for a machine, or to visit a neighbor... the telephone pays its way.

You can buy few things which cost so little and are worth so much.
